## Garrard Chief. 1835

Bay stallion 15-3 hands, foaled summer 1902, said by good judges to be one of the finest stallions living. He is a perfect image of his great sire Chester Dare 19. Mr. J. C. Graves who raised and showed Chester Dare 19 says it is almost impossible for two horses to be more alike than Garrard Chief 1835 and Chester Dare 19. Col. W. A. Barriger of Shelbyville, Ky., has judged this horse at the Texas State Fair several times says he is as fine a horse as he ever saw. Garrard Chief won the championship of the South West at Dallas in 1908, 1909, 1910 and during that time his colts won more than any other herd shown there in saddle classes. At Fort Worth Horse Show in March 1910 Garrard Chief won first in breeding class for saddle stallions and age over 15 good ones, he also won at same place first for five-gaited saddle stallion mare or gelding. He will make the season of 1911 four miles from Stanford on Hustonville pike at \$25 to insure living colt. Mares grazed \$2.50 per month. Care taken to prevent accidents but not responsible should any occur.

## Don Varrick

This magnificent bred young stallion will make the season of 1911 at my stable near Stanford, Ky., on the Shelby City pike at \$15 to insure a living colt. Don Varrick is 15-2 hands a beautiful chestnut, short back heavy bone in fact the highest type of the trotter and perfect disposition. He is by the great Onward Silver 2105 1-1, that won the \$5,000 Transylvania in a seven heat race in 1907 and the same year won the \$10,000 Bonner Memorial and the M. and M. all in broken heats and sold for \$21,000 and later for \$25,000. Don Varrick is bred exactly like Spanish Queen that won the \$5,000 Transylvania in 1908 making a record of 2:07 and was claimed as one of the four, being one of the greatest money winners on the grand circuit in 1908.

Onward Silver is by Onward, one of the greatest and best sons of George Wilkes Onward's dam was (see dam of Director, the sire of that great family of trotters and pacers. Don Varrick's 1st dam was by Wilkes Boy, by George Wilkes a full sister to The Way 2:15 1-4 and half sister to Madeline Patchen on the dam of Rubber 2:10, Winchester 2:19 3-4, Billy Wilton 2:20, and Miss R. 2:30 2nd dam Mary by Roger Grey Eagle the dam of The Way and Madeline Patchen.

Don Varrick's dam produced Dr. Conner, that placed a public half mile on the Lexington track at 16 months in 1:08 3-4 and sold to N. W. Hobbler of New Haven for \$1,000 she also produced Maggie 1-3, that trotted a mile on the same track at 16 months old in 1:11 and sold for \$500. Don Varrick is fast game and always on the trot, very rarely ever leaves his feet. In 6 weeks handling last fall he trotted a quarter on half mile track in 34 1-2. See half in 1:10 and the entire in 2:27 1-2 on the outside of track. Please note, the rich inheritance of speed on both sides, not a missing link for generations. Breed to this fellow and you can't miss the four things every breeder looks for size, disposition, speed and looks. See him before booking your mares. Season money due when mares are parted with or bred to another horse. Mares kept at 10 cents per day and all car taken, will not be responsible for accidents or escapes. Don Varrick is a 2:10 trotter if he had the proper handling.

He ought to make a great sire. His oldest colts are coming two's and show great speed and action. Any one wishing to see one of them can do so on the Lexington track where they are now in training. This is a good chance for the people of Lincoln County to breed into the best families of the trotting blood.
